Dear Gentlemen:

The No Further Accelerated Action (NFAA) determination for Trench 7, Trench 4, and the Ash Pits have been discussed and agreed to by the Project Coordinators. Supporting documentation has been reviewed and final copies were distributed to the Colorado Department of Public Health and Environment and the U.S. Environmental Protection Agency on April 7, 2003. This correspondence is to formally request Agency approval of the NFAAs in order to close the process. Copies of the reports will also be included in the fiscal year 2003 Historic Release Report.

If you should have any questions please contact Reginald Tyler at (303) 966-5927, or you may contact me at (303) 966-2282.

Sincerely,

Richard W. Fisher
